Bangkok, Thailand

Summary

I am a passionate and experienced mobile application developer with 6 years of expertise in building innovative, user-friendly, and scalable apps and SDKs for both Android and iOS platforms. Whether building apps or SDKs, I focus on delivering solutions that enhance both the user experience and developer efficiency. And, I am always looking for new challenges and opportunities to collaborate on innovative app solutions.

Skills

Android development, IOS development, Kotlin Multiplatform, Flutter, Java, Kotlin, Swift, Dart, Jetpack Compose, SwiftUI, RxJava, RxSwift, Kotlin Coroutines, Clean Architecture, Git

Experience

DRVR

Senior App Developer, Bangkok, Thailand
